ABOUT THE TAILGATORS

The Tailgators are a four piece, high energy dance/rock St. Louis Party Band. For seven years, the Tailgators have brought high-energy pop rock shows to venues in and around the St. Louis area with a song list that spans many genres of music, including current pop, 80's, funk, classic rock, alternative and country. Their stage show and high quality musicianship has earned them a reputation as one of the top party bands around.

The Tailgators are Aaron Dobson (guitar, vocals), De'andra Glass (vocals, percussion), Glen Keener (drums, percussion) and Jeff Peeler (bass, vocals). Collectively, the Gators make up one of the most entertaining and fan-friendly bands in the St. Louis area. Individually, they've played to packed houses in local venues - The Pageant, Pop's, Busch Stadium to name a few. And although this lineup has been together for a short three years, some members of the band have been playing together for more than 20!

The Gators understand that performing grooving music and having an exciting, interactive stage show is the most important aspect of any live band. Getting patrons dancing, drinking and partying benefits everyone involved - venue, band and customer. Our goal is to make sure everyone is enjoying an action-packed performance that will leave them wanting more.
